Application and processing for the winter semester 2020/21 is only possible to e-mail. If face-to-face advice is possible again, then only personally at the times mentioned below, with appointments in person at the board of the student union. The applicants must to prove and to show credible with appropriate documentation that they are to be in financial distress.

Use the opening hours!

We have experienced, that lots of study have moved the semester contribution adoption the last days before the deadline. Because of Corona limited measures, applications will be accepted only by appointment. Please make an appointment by e-mail.

Don’t come at the last minute, please!!! Otherwise it can happen that you don’t get an appointment!!
Appropriate documents:

- Rental contract or the last rent increase

- Proof of insurances contributions and bill of GEZ license fee, bill of internet connection (only internet, not Mobile Phone bill)

- Salary statements from the last three months as well as the decision of your application from the last semester

- Certificates of Debits, dunning letter

- Everything documents, that showing your financial situation

!!!Please note that!!!

The Deadline for the semester contribution application is on Friday the 02.10.2020!

... and everything that is suitable for explaining the financial difficulties!

The applications are initially collected. All applicants will be notified of the decision of their application.

Unfortunately, we can only help a limited number of students. The application procedure with large number of proofs of documents should intended to ensure that the funds are used as fairly as possible. We ask for your understanding of the circumstances involved.

AStA assumes no responsibility for timely and correct Confirmation.
